

SAP Upgrade with Unicode Conversion for Pharmaceutical Company

The Summary

Client has implemented SAP ECC 5.0 and approached AG Technologies for upgrading its landscape to SAP ECC 6.0 with EHP5. The project also includes UNICODE Conversion, OS Migration from HP-UX 11.23 to 11.31 and Oracle Upgrade from 10.2.0.2 to 11G.

The Client

Client is a leading Pharmaceutical Company and aims at manufacturing life-saving immuno-biologicals, which were in shortage in the country and imported at high prices. They started manufacturing several life-saving biological products at affordable prices to the common man and in abundance, with the result of that the country was made self-sufficient for Tetanus Anti-toxin and Anti-snake Venom followed by DTP (Diphtheria, Tetanus and Pertussis) group of Vaccines and then later on MMR (Measles, Mumps and Rubella) group of vaccines.

The Business Requirement

Client's requirement was to upgrade their existing landscape comprising of Development, Quality & Production servers from SAP ECC 5.0 to SAP ECC 6.0 EHP5

Technology:

SAP Solution	:	SAP ECC 5.0
Modules	:	FI, MM, SD, PP, CO, PM and HR modules.
Database	:	Oracle 10 G
Operating System	:	HP-UX 11.23 64 bit

Project Summary

Industry: Pharmaceutical

Client Profile:

Client is leading Pharmaceutical Company and aims at manufacturing life saving biological products to common public at an affordable price.

Solution:

AG Technologies Upgraded SAP Version from ECC 5.0 to ECC 6.0 EHP5, Unicode Conversion, OS migration and Database Upgrade

Solution Benefit:

- SAP ECC 6.0 provides more than 300 functional enhancements that can improve process efficiency of the organization
- Upgrade to SAP ECC 6.0 can put enterprise services to work immediately to solve business problems.
- Client can stay up to date with the underlying technology and ensure business continuity and system stability

The Solution Benefit

- SAP ECC 6.0 provides more than 300 functional enhancements that can improve process efficiency of the organization.
- It also simplifies daily business tasks through more appealing and integrated user interface concepts that increase user productivity and satisfaction
- SAP ECC 6.0 integrates the functions of most SAP industry solutions so that these solutions no longer need to be installed and set up separately
- Upgrade to SAP ECC 6.0 can put enterprise services to work immediately to solve business problems.
- Client can stay up to date with the underlying technology and ensure business continuity and system stability.
