

Solution Manager 7.1 Installation Technical Upgrade of SAP ECC6.0 to ECC6 EHP7 for A FMCG Company

Introduction

Client is the world's largest manufacturer and exporter of Spice Oleoresins and Essential Oils. It is a multi-award winning corporate with interests in Bio Ingredients, Spice, Farm Tech, Hospitality and Realty. Its flagship company, Client Industries Ltd., has a portfolio of over 500 products that focus on plant-derived ingredients for flavor and fragrance solutions.

It was among the first in India to enter into Spice Oleoresin production. From that pioneering start in 1972, it has grown into one of the world's most trusted ingredient solutions provider today, with a turnover of USD 90 million and over 30% of the global market share to its credit. Client refuses to compromise on quality, making it the preferred choice of its clientele in over 70 countries.
